

Crowns

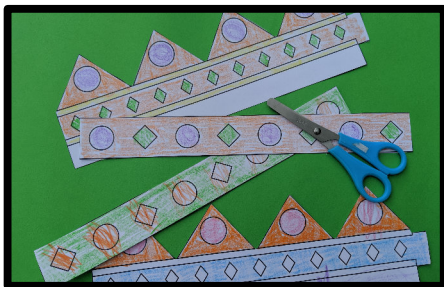

There are four options for this week's craft. Choose whichever works best for your time and child's ability.

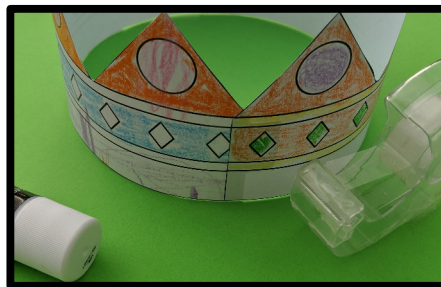

What you need

- 2 copies of template on white card
- Glue
- Scissors
- Sticky tape
- Colour pencils / crayons
- Cotton wool
- Red tissue paper

What to do

Colour in and cut out the template pages. Don't forget you need 2 copies

Stick crown sections together. Measure around your child's head and tape to form crown.

Cover bottom section with glue and stick on cotton wool.

Glue the two sections from the template together to make a cross and glue onto crown.

Crease up the red tissue paper.

Glue inside rim of crown and glue into place.

Decorate with sticky jewels or glitter and allow everything to dry.

Crown Template

For best results print on card

Print two copies to make one crown
