Friendship Cards

Make some cards for your child's friend saying,

'Thank you for being my friend'

It will no doubt make them really happy and reminds us to thank God for the friends He gives us.

Bedtime Music

David played music for king Saul to help him sleep at night.

Try listening to some bedtime songs with your child or sing some lullabies together.

I will add some to this week's video playlist.

Sneaky Pirates

To teach how David sneaked up on Saul and took the corner of his clock you can play this fun game.

One play (Saul) must face the wall with his eyes closed,

Behind Saul place some items to be collected.

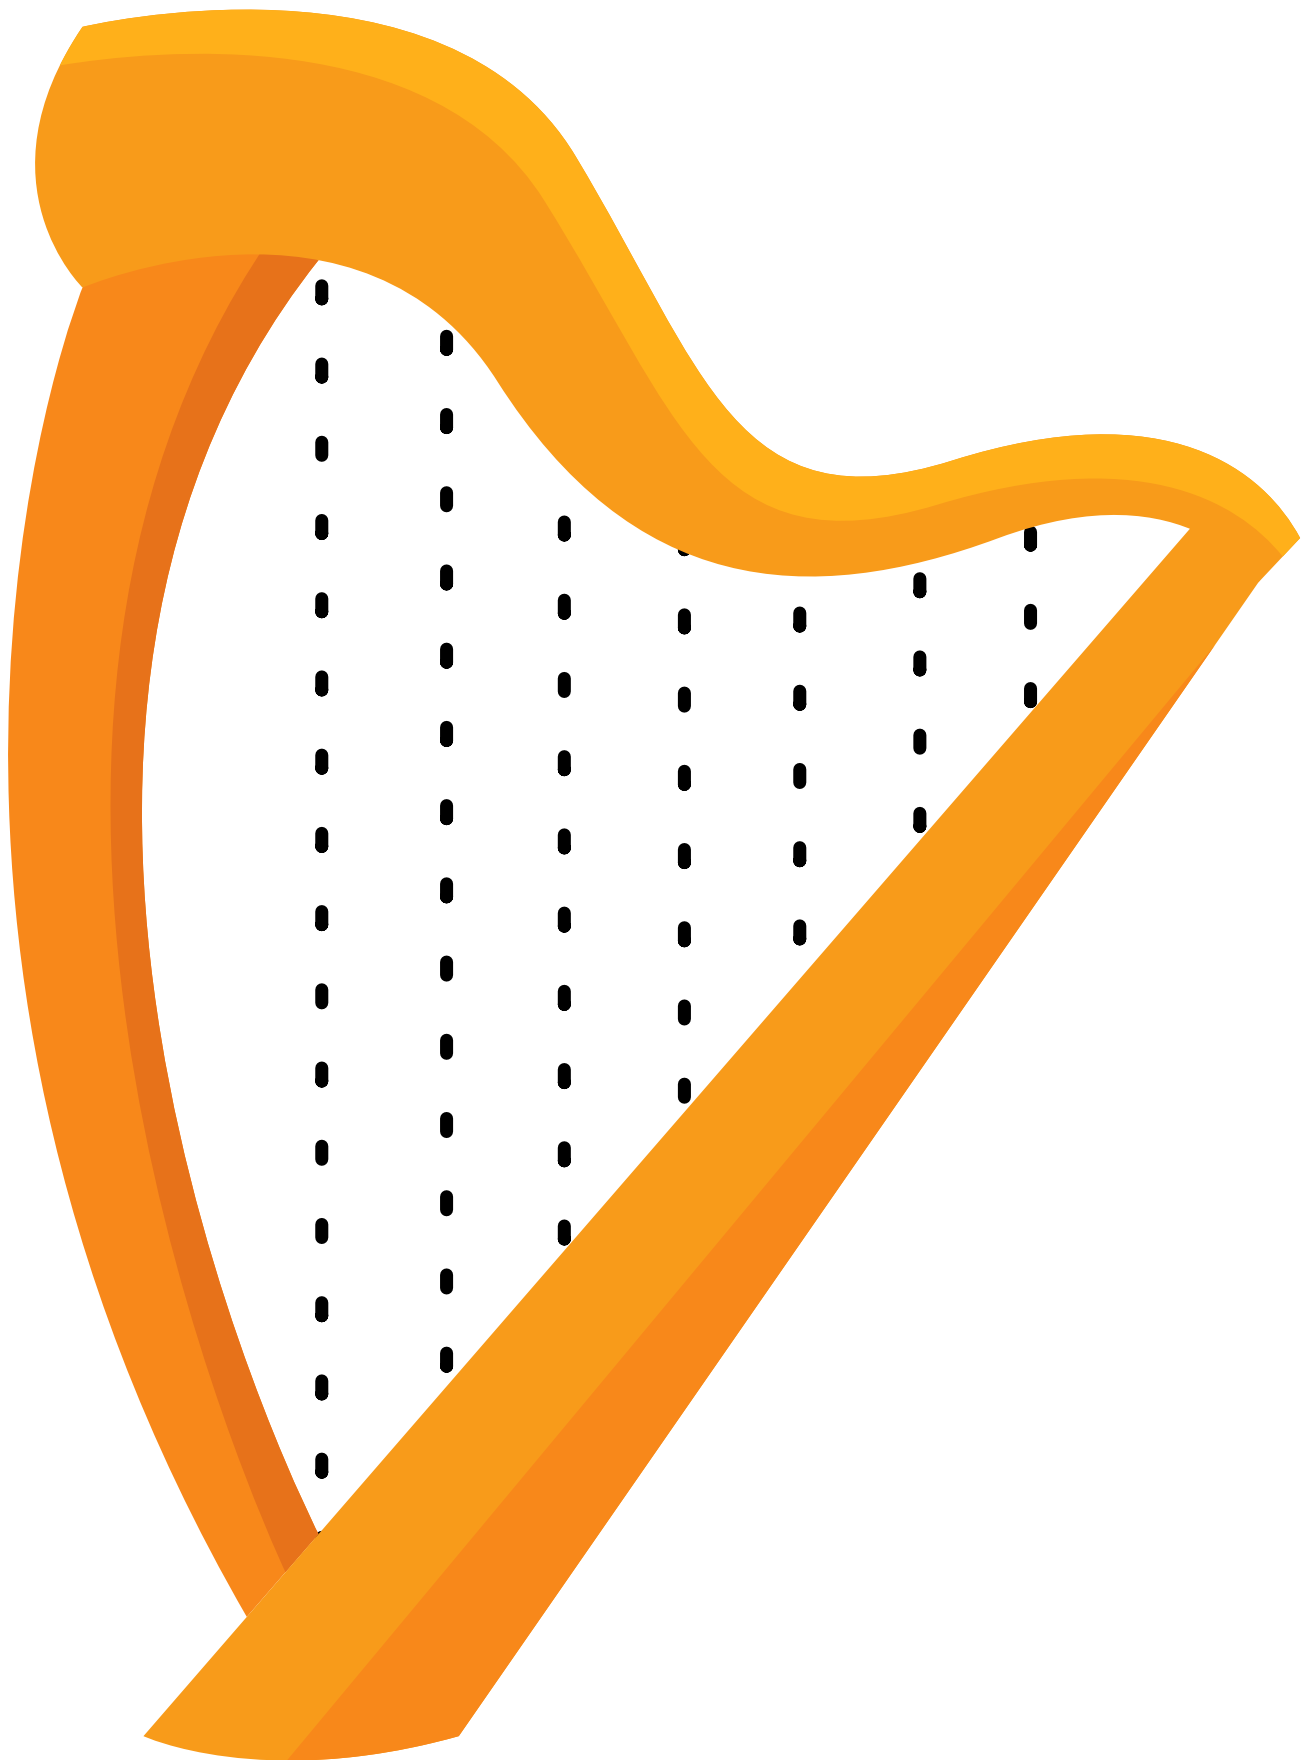

The other plays must try to sneak up and collect the items without Saul hearing them.

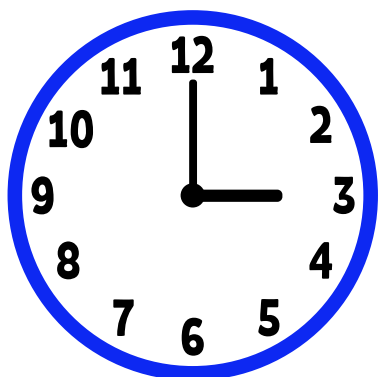

Emotions

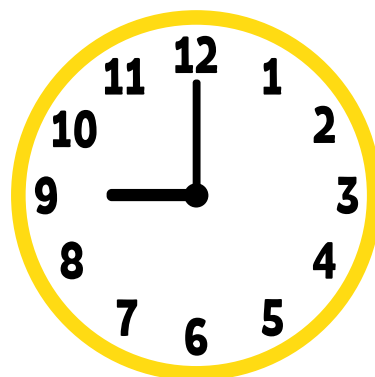

Draw the string on the harp

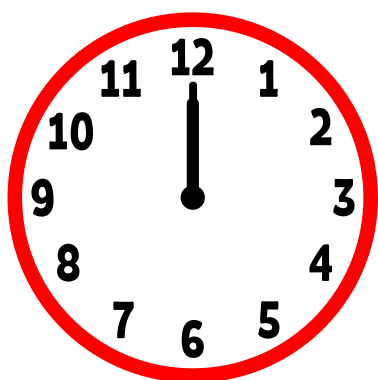

What is the time?

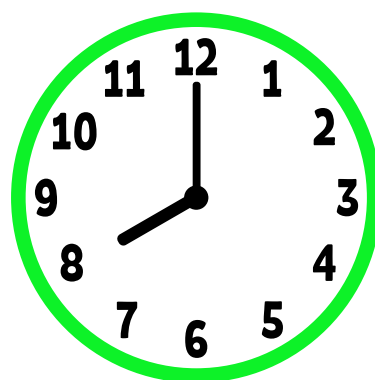

— o'clock

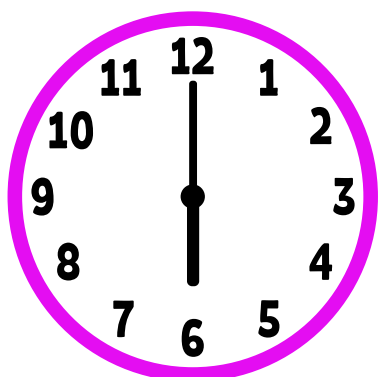

— o'clock
